## June 2017 Continuity

## Inspire Your Tribe

We all have a tribe of some sort. Tribes are a group of living souls that gather together for many reasons. Tribes consist of family members, communities with a common interest, social and cultural societies, and or people with a common interest in a topic or movement. Today, tribes can often be found or created online; we tend to refer to them as our “mailing list” or our network!

June is the 6<sup>th</sup> month of the year. Numerology’s wisdom reveals one of the ways this powerful heartfelt energy can express itself is by feeling the joy you have when you connect to your family, your friends, your community and your tribe. The vibrational energy of 6 inspires you to use your heart energy when you are connecting and communicating to express your feelings of love and gratitude this month.

Inspire is a powerful word to use when you find yourself engaging with someone. The dictionary describes *inspire* as a way to stimulate, motivate, encourage, stir, move, and arouse as a way to activate someone to make changes in attitude, behaviors or direction.

Numerology describes inspire, as expressing the vibration of the number 9. It is calculated by giving each letter a number and then reducing it to one number. (i = 9, n = 5, s = 1, p = 7, i = 9, r = 9, and e = 5. When totaled, it equals 45 and reduces to a 9.) The vibrational energy of 9 expresses itself as being a humanitarian. On another note; the energy of the words love and money in numerology speak also add up to the energy of 9. With these insights, you can see how these words are encouraging you to inspire your tribe with the powers of sharing your peace, abundance and joy in June.

One more valuable piece of knowledge to know this month . . . when you add the 6-energy of June to the 1- energy of 2017, it totals to the harmonic energy of 7. This 7-energy resonates with the vibrations and energies of the collective consciousness, faith, spirituality, spiritual awakenings and spiritual enlightenment.

Here are a few practical ways you can inspire your tribe this month.

- Treat everyone equally with your words, actions and deeds.
- Acknowledge the wisdom and contributions of everyone.
- Inspire everyone to reach for the stars, give them hope.
- Be an active listener; show them you care with your full attention.
- Inspire people to their greatness, acknowledge their courage to succeed.
- Inspire everyone you connect with by speaking with positive words.
- Act enthusiastic and be enthusiastic whenever you engage with someone.

Best days in June 2017 to *inspire your tribe* are: June 1-12, 19-27, 29-30.

~Wes Hamilton, Master Numerologist

This year the vibrational energy of June is prompting you to reach out to your tribe and let them know how important they are in your life. Let them know the value they provide and how appreciative you are to have them in your life. Numerology says 2017 is a 1- year and June is a 6 - month. When you fuse these two energies together, you will feel the spiritual influence of 7, the collective consciousness. We are all one! This month you will reap many rewards for yourself and others as you *inspire your tribe*.
