

Land of Enchantment

2023 - Know Thy Self

1st Experience – Poseidon

What did you sense as you met Poseidon?

Lesson – Awareness of his powerful chakra alignment energy which radiated and appeared as a technicolor robe.

2nd Experience – Temple of the Inner Self

What did you learn about your intuition?

Lesson – Understanding how your intuition is generated in your emotional body through the vibrational energy strings that connect you to the universe.

3rd Experience – First object you looked at

What did you sense the thing you look at was telling you?

Lesson – Learning to sense what information is being exchanged with you.

4th Experience – Second object you looked at

What information is this second object exchanging with you?

Lesson – Experiencing how your universal energy strings are creating an intuitive communication practice for you and whatever you connect with.

Intention for 2023

I am exploring the powerful mystical powers I carry within my inner world of knowingness.
