### 1<sup>st</sup> Experience – Magic in the Land of Enchantment

Do you wonder why so much magic happens in the Land of Enchantment and why we go there?

### 2<sup>nd</sup> Experience – Metis

Are you curious why Metis the goddess of divine wisdom and intuition was known for her powers of intimidating many people?

Lesson – When you learn how to access your intuition, many people can feel intimidated because you have access to a huge vault of knowledge that most people cannot find.

### 3<sup>rd</sup> Experience – Shimmering Globe of Light

Were you curious how you were able to close your eyes and move inside the globe of white shimmering light when Metis asked you to do this?

Lesson – When Metis instructed you to close your eyes, she took you out of 3<sup>rd</sup> dimension consciousness which allowed you to use your imagination that lives in the 4<sup>th</sup> and 5<sup>th</sup> dimension where all things are possible. This is where your intuition also lives.

### 4<sup>th</sup> Experience – 3 Powerful Practices

Metis gave you 3 powerful practices to build a relationship with your intuition. Are you planning to make these practices part of your daily routine?

Lesson – For any new skill you want to develop, you must make a practice to do whatever it takes to become skilled. This new intuition gift may be lying dormant within you just waiting to be awakened.
